Applicants are required to disclose information about the ownership and control of their company relating to the Scheme. The Scheme compels members to disclose if their company is 15% or more foreign state ownership or control.

The Executive Officer can act on your behalf when speaking with government officials, but will need to register under the Foreign Influence Transparency Act. This includes the relationship with the foreign principal in your company, and the activities being undertaken on behalf of the foreign principal.

A foreign principal includes:

- a foreign government
- a foreign political organisation
- a foreign government related entity
- a foreign government related individual.

IT IS YOUR RESPONSIBILITY TO CONFIDENTIALLY ADVISE THE EXECUTIVE OFFICER IF YOUR COMPANY IS EXPOSED TO THE FOREIGN INFLUENCE TRANSPARENCY ACT.
